By Jack Anderson  
November 21, 2008

**BETH GILL** (Friday and Saturday)

The deliberately austere "It Looks Like, What It Feels Like" uses stillness and absence to create tensions that make dancegoers aware of their own physical presence. At 8 p.m., the Kitchen, 512 West 19th Street, Chelsea, (212) 255-5793, [thekitchen.org](http://thekitchen.org);

\$12; \$10 for students and 65+.
