Guide to Arts + Culture: Bonus Dance Listings

By Robert Grescovic

New York

What do you see? **Beth Gill** The Kitchen (November 20–22; thekitchen.org). This performance for four dancers, from the hand, eye, and brain of the intriguing movement-experimentalist Beth Gill, promises to take audiences into the inner workings of the Kitchen's intimate physical space as an expansive aesthetic adventure. The dance piece marks Gill's first evening-long work, a decisive step in her budding career.
