SQUAT BOX
Full Moon Killer
at The Kitchen.

Full Moon Killer revives Squat Theater's scariest mix of guerilla theater assault, noir storytelling, and nightmarish/dreamlike imagery. A serial killer terrorizes NYC in this latest morality tale from the makers of *Pig Child Fire* and *Mr. Dead and Mrs. Free*. It premieres Thurs., Jan 3 at 8 p.m., then runs Weds.-Sun. through Jan. 13 at The Kitchen. (512 W. 19th St., 255-5793.)
