Making a pointe

By Leigh Witchel

DANCE

Dance this spring ranges from heavy hitters to rising stars and America to Zambia. Whichever style keeps you on your toes, you'll find something here.

Luciana Achugar often performs in untraditional spaces, but she's heading back to The Kitchen — the theater on 19th Street, that is. She'll fill it with mystery and magic in "Puro Deseo" (April 29-May 2).
