★AACM AT THE KITCHEN (Saturday)

The Association for the Advancement of Creative Musicians, established in Chicago more than 40 years ago, has been celebrating the publication of an important book by George Lewis, “A Power Stronger Than Itself: The AACM and American Experimental Music” (University of Chicago). This concert shines a spotlight on the organization’s new guard, including the flutist Nicole Mitchell and the alto saxophonist Matana Roberts. A pre-show panel at 5 p.m. will feature both artists, along with Mr. Lewis and others. At 8 p.m., the Kitchen, 512 West 19th Street, Chelsea, (212) 255-5793, thekitchen.org; \$10. (Nate Chinen)
