X-RATED: Dennis Cooper, whose work has been mainly in *Between C and D* is out on Grove Press this month. He will read from his work *Closer* at The Kitchen. *Closer* creates a world in which love, hate, hope and sex are stripped of superficial banalities where his young characters find solid ground in the unequivocal sensations of pain. Also reading is Gary Indiana, author of the forthcoming *Horse Crazy*, also from Grove, about a man who becomes interesting only after he falls in love with a crazy person. The Kitchen, 512 W. 19th St., April 25, 8:30 p.m., \$8, 255-5793. ★
