

The Kitchen Center for Video and Music

press release

The Kitchen Center is pleased to present a new work by

SHERRIE LEVINE

The projected image of a mother and child will be in
The Gallery FEBRUARY 2 - 10

TUESDAY - SATURDAY, 1 - 6 pm

Admission is free.

Last year, Sherrie Levine was included in a group show, PICTURES, curated by Douglas Crimp for Artists Space. The show's participants were chosen for their shared concern with "that distance that separates us from the world and constitutes our desires."

This current work, an image of an image, was developed with the following considerations in mind: Good art is always close to tragedy--Nothing is more tragic than the ambiguous and contradictory--and nothing is more comic, either.
