Downtown **SAM KIM**'s nicely titled "**DUMB DUMB BUNNY**" opens on Thursday at the Kitchen. Ms. Kim has created several well-regarded works, and this one sounds intriguing, involving "the flirtatious, sexualized postures of fashion, club dances and the contemporary commodified body," according to Tere O'Connor, who chose this piece for the Kitchen. *Thursday through Saturday, 8 p.m., 512 West 19th Street, Chelsea, (212) 255-5793, [thekitchen.org](http://thekitchen.org); \$12.*
