One of the most exciting young mavericks in the dance field to have emerged in recent years, choreographer **Sam Kim** is celebrated for works that walk the razor's edge, deftly balancing poignant humor and dark subversion. In her new work performers vibrate and throb in moments of absolute power and perfect failure, finding a way to insist on their presence despite all the handicaps that mute them.

"*dumb dumb bunny* is a defiant shout out into the world of what we know best—our own names." — Sam Kim

The show features **Michael Holland**, **Sam Kim**, **Liz Santoro**, **Miriam Wolf**, and multiple guest performers with lighting design by **Michael Stiller** and set design by **Mimi Lien**.

This program is made possible with generous support from Altria Group, Inc.; The Greenwall Foundation, The Harkness Foundation for Dance, the Mertz Gilmore Foundation, and with public funds from the New York State Council on the Arts, a state agency.
