The former star of the *Piece a Minute Show*, creator of *King for a Day* and the "World's Fastest Piece in the World piece-work thing," has stopped working solo and, with his wife Rosi, will be doing it a deux in the first of the Kitchen's Imports Performance Series. Bruce and Rose McLean will examine the motives behind shoes, socks, and other inscrutables in a standup two-part "argument" that gets more and more complex each day of this three-day event. Thursday through Saturday at 9:30 p.m., 184 Broome Street. (Larson)
