*** Okkyung Lee and Andrew Lampert** *The Kitchen*. 8pm, \$10.
Korean cellist Okkyung Lee, a mainstay of the downtown scene since 2000, earned academic degrees in film scoring and improvisation. We have to imagine that both skill sets will come in handy tonight, when she presents new compositions for chamber ensemble (violinist Cornelius Duffalo, bassist Trevor Dunn and glass-instrument builder Miguel Frasconi) with experimental video by filmmaker Andrew Lampert.
