Klaus Lutz

In 1993, the Swiss-born artist moved into a small East Village apartment that became the studio for a series of movies starring himself as the protagonist of dreamlike scenes. Wearing a kind of space suit, Lutz can be seen afloat in the cosmos thanks to his use of double exposure and montage. *The Kitchen* 512 W 19th St between Tenth and Eleventh Aves (212-255-5793, thekitchen.org).
