## THURSDAY 16

★**Laetitia Sonami** *The Kitchen*. 8pm, \$12. How's this for sleight of hand? Computer music and text programmed and manipulated by a wave of Sonami's seductive black glove.

## FRIDAY 17

★**David Shea** *The Kitchen*. 8pm, \$12. Composer/performer David Shea will present *Tower of Mirrors*, an eclectic sound collage performed on sampling keyboard and accompanied by the composer's favorite Hong Kong action films.

**WINTER GETAWAY**  
South Beach, Florida

## SATURDAY 18

★**David S. Ware + Mino Cinelu + Alain Kirili + Ariane Lopez-Huici** *The Kitchen*. 8pm, \$12. Subtitled "Sound Sculpting," this evening of solo performances brings together two musicians of remarkably disparate sensibilities. Ware, the unapologetically expressionistic tenor saxophonist, is fast shaping up to be Sonny Rollins's only contemporary heir, while Cinelu, a big-bank studio percussionist, shows off rhythms from around the world.
