

SOUNDS & THE MACHINES THAT MAKE THEM

SOUNDS & THE MACHINES THAT MAKE THEM

a concert for computer controlled kinetic machines

by **GORDON MONAHAN**

June 22 - 24, 8 pm

Monahan's work has been described as frightening, sensational, demonic, romantic, visually stunning and ground-breaking. For these performances he has created a multi-media environment which continues his exploration of musical boundaries. Monahan returns from Berlin for the American premiere of this work-in-progress.
