8pm, \$15. The Kitchen's intergenerational electronic-music series returns with a pair of new shows curated by downtown luminary Laurie Anderson. Tonight's program belongs to keyboardist, sampler player and composer Annie Gosfield, who presents her distinctive digital din alongside guitarist Roger Kleier, drummer Kenny Wollesen and violinist Mary Rowell. On Fri 10 you'll hear a variety of styles and perspectives, courtesy of Brian Marsella, Ebe Oke and the duo of Yuka Honda and Nels Cline.
