Jeanne Jaffe & Peter Rose  
Virtual Objects and Embodied Images  
Collaborative video/sculpture installations

November 11-24th

"Images that quiver with a hallucinatory vibrance...rich...metaphysical."

-Sally Banes, *The Village Voice*

Aura, totem, animation, mystery, dream, and theater. Jeanne Jaffe sculpts archetypal forms, at once weightless and multi-dimensional, that breathe with projected video images by Peter Rose. *Pre-Verbal Objects*, *Mutable Objects*, and *Seated Figure* synthesize surface, mass, subject, motion, and imagery to cast an optical spell.

**The Kitchen is located at 512 West 19th Street, between 10th and 11th Avenues. For more information or to reserve press comps, please call 212.255.5793.**
