Dance

★ **JEN ROSENBLIT** (Thursday through May 31) Ms. Rosenblit's first evening-length work is called "A Natural Dance," but what does "natural" mean, anyway? Always probing beneath surfaces and hunting for new possibilities, this choreographer questions that term and its implications with the help of her smart performers: Effie Bowen, Hilary Clark, Justin Cabrillos and her longtime collaborator Addys Gonzalez. At 8 p.m., the Kitchen, 512 West 19th Street, Chelsea, 212-255-5793, thekitchen.org; \$15, \$12 for students and 65+. (Burke)
