Thursday, May 8-Saturday, May 10, 7 p.m.

Friday, May 9-Saturday, May 10, 3-6 p.m.

Melinda Ring: *Forgetful Snow*

New York choreographer Melinda Ring is founder of the dance company Special Projects, which "promotes dance performance as a visual event in equal partnership with the kinesthetic experience." In this piece, she "investigates the transcendent possibilities of body and mind." To aid with the transcendence, the evening dances are performed naked.
