Performance: “Sergei Tcherepnin: Maize Mantis” at the Kitchen

A collaboration between artist and composer Sergei Tcherepnin, the painters Lucy Dodd and Kerstin Brätsch, sculptor and costume designer Hanna Törnudd and lighting whiz Zack Tinkelman, *Maize Mantis* is a performance centered on “a mythic creature born of plants and shadows.” Billed as equal parts theater, dance, concert and exhibition, it takes the experimental work of Russian modern dance impresario Sergei Diaghilev and American composer and creator of musical instruments Harry Partch as its point of departure.
