*** Min Xiao-Fen + Guillermo E.**

Brown *The Kitchen*. 8pm, \$10. Inventive Chinese *pipa* virtuoso Min Xiao-Fen presents the premiere of *Return of the Dragon*, a new chamber piece based on traditional Chinese music, jazz and bluegrass, featuring contributions from cellist Okkyung Lee and percussionist Satoshi Takeishi. Drummer Guillermo E. Brown is best known for his work in saxist David S. Ware's landmark free-jazz quartet, but his solo material tends more toward electronica, hip-hop and avant-groove.
