THE KITCHEN ART GALLERY: *From the Archive*

September 3-20 (Open Tue-Sat, 2-6pm)

Celebrating two decades of "spellbinding magic" (*The New York Times*), **Bill T. Jones/Arnie Zane Dance Company** returns to The Kitchen to recreate the early duets and solos of its pioneer founders. Before creating the large scale works the company is best known for, choreographers Bill T. Jones and Arnie Zane first began developing their ideas at The Kitchen with more intimate pieces, striking for their originality and use of talking. *The Phantom Project - 20th Anniversary Season* is a rare opportunity to experience the formative period of this unique partnership in the very space that helped launch the artists' career.

"Many young artists and particularly performance artists, create their work as a protest that implicitly or actually demonstrates how they are not a part of any academy or tradition,"
