— THE NEW SEASON DANCE —

March

ARMITAGE GONE! DANCE Karole Armitage's company will offer the premiere of a new piece, tentatively titled "Mashup," but the real draws for this stint are the revivals of several landmark works from the 1980s, including "Drastic Classicism" and "GoGo Ballerina." Though they don't often seem to these days, progressives and radicals can indeed wear point shoes. March 4-7, 11-14. The Kitchen, 512 West 19th Street, Chelsea, (212) 255-5793, thekitchen.org.
