center for video and music

SOUP & TART: Multimedia artist, Jean Dupuy, has now turned caterer to both taste and tastebuds. He has organized a special dinner to open his two week video peep show, "I & J". The feast features an entertainment menu of 38 two-minute performances by such artist-musician-performers as Yvonne Rainer, Hannah Wilkie, Richard Landry, Philip Glass, John Gibson and Bob Breer. These quick studies accompany a dinner of home-made soup, Dupuy's famed apple tarts, bread and wine. Quite a mouthful. (The Kitchen, 59 Wooster Street, November 30, 8:30 p.m., 925-3615, reservations a necessity.) *Voice Nov. 28, 1974 NV*
