

VOICE CHOICES

TERE O'CONNOR: This choreographer-composer creates his own unique universes onstage: his intention is to "push past established movement vocabularies to locate the primitive and natural physical impulse to dance." His six-member company performs *Psycho-Sweet Civilization* and *You Baby Goes to Tender Town*. May 20 through 22 at 8:30, May 23 at 3, The Kitchen, 512 West 19th Street, 255-5793. (Zimmer)
