

# TV salutes the spirit of

# 1984

Top, George Orwell, who wrote the novel "1984"; clockwise from bottom, video and performance artists Nami June Pak, Charlotte Moorman, and Peter Gabriel and Laurie Anderson, who are appearing in "Good Morning, Mr. Orwell," a live, satellite broadcast airing today on Ch. 13.

**Paik believes the event will help counter Orwell's negative ideas about TV as a tool of totalitarianism.**
