

David Bowie may have said it first, but curator David Leslie added the "s" in 1992. *We Could Be Heroines*, a four-night series of 32 performers paying tribute to their personal influences, will feature such wonder women as Ann Magnuson, Eileen Myles, Kimberly Flynn, Lisa Lerner, Kyle de Camp, Helen Sfumaker, Jo Andres, Mimi Goese and Deb Margolin, among others. With Dancenoise as curtain-raiser each night and an ongoing new video, *That's What She Said*, by Leslie and Larry Fessenden, these performances should invoke a goddess or two. Oct. 21-24, 8:30 p.m., at The Kitchen, 219 W. 19th St., 255-5793, \$15 per show or \$40 for a four-night pass. ★ C.P.
