ELAINE RADIGUE

Saturday, February 8, 1975

ADNOS:

D'adage en adynamie, pour tous les ados et les adnes, cet addenda.

Adage: Slow exercises to improve the equilibrium of dancers and the form of their movement. First part of a pas de deux.

Adne: This is said of any part tied or welded to another and which appears to be part of it.

Ados: A bank of earth used to protect plantings from the north wind and expose them more directly to the rays of the sun.

Addenda: Total lack of physical strength which accompanies some serious illnesses.

Realized in the artist's studio, Paris, 1974.

Final mixing courtesy the Groupe de Musique Experimentale de Bourges.

Length: 82 minutes
