**NEAL MEDLYN** (Thursday, through Feb. 4) Britney Spears, Miley Cyrus, Beyoncé, Hannah Montana: in recent years Mr. Medlyn has taken the mythology surrounding these pop icons and twisted them into his own mythic performances. Chaos tends to ensue, in a good way. This time he's going over to the dark side (not like he wasn't there already) with "Wicked Clown Love," based on the invective, horror-glorifying rap of Insane Clown Posse and the rituals of its cult following. At 8 p.m., the Kitchen, 512 West 19th Street, Chelsea, (212) 255-5793, Ext. 11, [thekitchen.org](http://thekitchen.org); \$15, or \$12 for students and 65+. (Burke)
