 **The Kitchen**  
February 2-4, 2012

**Neal Medlyn: *Wicked Clown Love***  
**Thursday-Saturday, February 2-4, 8pm**  
**Tickets: \$15**

Neal Medlyn's latest "bomb ass music based extravaganza," to quote the artist, is built around the music of the Insane Clown Posse (ICP) and the worldwide opaque brother and sisterhood of the Juggalos. The show will revolve around Medlyn's dark specter versions of ICP songs, male bonding activities, flashlight wrestling, terror and horror, face paint, underground Midwestern horror rap, Faygo showers, clown love, and much more. "Fuckin' all out buck wild behavior is to be expected," Medlyn says. "This will be the freshest presentation of all time. This will be the Wicked Shit. Wicked Clown Love. The most chaotic fucking phenomenon of the year."

Starring **Neal Medlyn, Farris Craddock, Carmine Covelli** and a variety of monsters. Lighting design by **Madeline Best**. Set design by **Kathleen Hanna**. Costumes by **Larry Krone**.

This program is made possible with support from the Jerome Foundation, The Amphion Foundation, the Mary Flagler Cary Charitable Trust, The Aaron Copland Fund for Music, and with public funds from the New York City Department of Cultural Affairs and the New York State Council on the Arts, a state agency.
