Molly Davis

David Tudor's Ocean

A portrait of David Tudor in details, process and accumulation. It is a six monitor meditation on the elaborate tableau of electronic music making in relation to the parallel dance making of Merce Cunningham's *Ocean*. The sound environment includes the performances of *Ocean*, with electronic and acoustic music and the ambient sounds of set-up and rehearsal.

Oct 30 - Nov 23 [Thu-Sun]

7 pm - 11 pm
